

## Privacy Policy for Chef Quiz on the Google Assistant

The content for Chef Quiz has been developed by Amit Nath Singh. However, Chef Quiz runs on systems provided by Google, and Amit Nath Singh does not have full access to the app. In particular, Amit Nath Singh has no ability to access the messages you send to Chef Quiz or the responses that it sends back to you.

Amit Nath Singh may receive from Google non-personally identifying information about the use of Chef Quiz. For instance, Amit Nath Singh can access usage information regarding how many users are using the app, which geographical regions they are located in, and basic data including users' language, device type, and length and frequency of use. None of the information Amit Nath Singh receives from Google identifies you, nor does it reveal to Amit Nath Singh what information you sent to the app or what specific responses the app sent to you.

When you use Chef Quiz, you are also using the Google Assistant, and the [Google Privacy Policy](#) describes how Google collects and uses data about your use of the app. You may wish to consult Google's documentation regarding [what information is shared with your Google Assistant](#) and [how to delete your Google Assistant activity](#).

Amit Nath Singh may, in the future, modify Chef Quiz to run on infrastructure which Amit Nath Singh has full access to, which would allow Amit Nath Singh access to additional information about your interaction with the app. Should that occur, Amit Nath Singh will comply with its obligations under applicable privacy law, including updating this Privacy Policy as required.
